

# Jesus Shall Reign

Verse 1 Jesus shall reign where'er the sun  
Does its successive journeys run  
His kingdom stretch from shore to shore  
Till sun shall rise and set no more

Verse 2 Blessings abound where'er He reigns  
The pris'ner leaps to lose his chains  
The weary find eternal rest  
And all the sons of want are blessed

## *Chorus*

To our King be highest praise  
Rising through eternal days  
Just and faithful He shall reign  
Jesus shall reign

Verse 3 People and realms of every tongue  
Dwell on His love with sweetest song  
And infant voices shall proclaim  
Their early blessings on His name

Verse 4 Let every creature rise and bring  
Blessing and honor to our King  
Angels descend with songs again  
And earth repeat the loud amen

## **Crown Him with Many Crowns**

- Verse 1    Crown Him with many crowns,  
The Lamb upon His throne;  
Hark! how the heav'nly anthem  
drowns all music but its own:  
Awake, my soul, and sing  
Of Him who died for thee,  
And hail Him as thy matchless King  
Thro' all eternity.
- Verse 2    Crown Him the Lord of life,  
Who triumphed o'er the grave,  
And rose victorious in the strife  
For those He came to save;  
His glories now we sing  
Who died, and rose on high,  
Who died eternal life to bring,  
And lives that death may die.
- Verse 3    Crown Him the Lord of peace,  
Whose pow'r a scepter sways  
From pole to pole, that wars may cease,  
And all be pray'r and praise:  
His reign shall know no end,  
And round His pierced feet  
Fair flow'rs of paradise extend  
Their fragrance ever sweet.
- Verse 4    Crown Him the Lord of love;  
Behold His hands and side,  
Those wounds, yet visible above,  
In beauty glorified:  
All hail, Redeemer, hail!  
For Thou hast died for me:  
Thy praise and glory shall not fail  
Thro'out eternity.

# Yet Not I But Through Christ In Me

- Verse 1     What gift of grace is Jesus my redeemer  
              There is no more for heaven now to give  
              He is my joy my righteousness and freedom  
              My steadfast love my deep and boundless peace  
              To this I hold my hope is only Jesus  
              For my life is wholly bound to his  
              Oh how strange and divine I can sing all is mine  
              Yet not I but through Christ in me
- Verse 2     The night is dark but I am not forsaken  
              For by my side the Saviour he will stay  
              I labour on in weakness and rejoicing  
              For in my need his power is displayed  
              To this I hold my Shepherd will defend me  
              Through the deepest valley he will lead  
              Oh the night has been won and I shall overcome  
              Yet not I but through Christ in me
- Verse 3     No fate I dread I know I am forgiven  
              The future sure the price it has been paid  
              For Jesus bled and suffered for my pardon  
              And he was raised to overthrow the grave  
              To this I hold my sin has been defeated  
              Jesus now and ever is my plea  
              Oh the chains are released I can sing I am free  
              Yet not I but through Christ in me
- Verse 4     With every breath I long to follow Jesus  
              For he has said that he will bring me home  
              And day by day I know he will renew me  
              Until I stand with joy before the throne  
              To this I hold my hope is only Jesus  
              All the glory evermore to him  
              When the race is complete still my lips shall repeat  
              Yet not I but through Christ in me
